LED LIGHT SOURCE

FEATURES

○ Our trademarked "Triple X" technology is the most versatile LED tube on the market. Installation methods include single end bypass, dual end bypass and type A ballast compatibility. 10K Surge protection with premium flyback driver technology allows for up to 75,000 hours of operational life.

○ 120°-155° wide beam angle / Frosted & Clear Lens
○ Socket: Bi-Pin
○ LED Type: SMD2835

○ CRT: 2700K - 6000K
○ Material: PC Cover / Aluminum

○ Warranty: up to 12 years
○ Operational Hours: 75,000 Hours

APPLICATIONS

○ Schools, offices, hospitals, supermarkets, retails, and factories.

PRODUCT DIMENSION

Product Length	Total Length (mm)	Cap-Base
4FT	1198 x 26mm	Bi-Pin

ELECTRICAL SPECIFICATIONS

○ Driver Type: Built-in, ballast compatible
○ Input Voltage: AC100-277V
○ Frequency: 50/60Hz
○ Power Factor: >0.9

APPLICATION

○ Application: Indoor use
○ Environment: -20°C~40°C/10%~90%RH

CERTIFICATION

○ Certification: UL, DLC, RoHS, Fcc

PACKING

○ Package: 25pcs/carton
○ Gross Weight: 6.5 kg/carton
○ Package Size: 1270 x 210 x 210mm

LED LIGHT SOURCE
